Dear Sir/Madam,

The Prince George Gymnastics Club is preparing to host the Prince George Invitational at our club Feb 2026. We anticipate participation of over 250 athletes, plus coaches and spectators from across Northern British Columbia.

Year after year, our club provides gymnasts in the North with the largest competitive gymnastics meet. For many of the young gymnasts who participate in this event, it is a great chance to experience a gym meet and prepare for higher level meets. It is our goal to provide this opportunity for all gymnasts in the region.

Today, we are asking you to consider supporting this sports event for youth. Proceeds will ultimately benefit our non-profit club of 1300 members in all of our programs. The package that follows outlines the various levels of sponsorship.

If you have any questions about sponsorships, please contact our office at 250-564-7343.

Thank you for your interest.

Sincerely,

Alexis Ruffell-Brewer  
Event Coordinator, Prince George Gymnastics
