## Basket & Planter Descriptions

### **10" Econo Mixed Basket**

This basket is designed for full to part sun locations. Each basket is planted with several basket stuffers. Colors and planting combinations vary.

**Note\*** - Due to the small basket size, these basket plants perform best if promptly transplanted into a larger basket/container.

### **12" Premium Mixed Basket**

This basket is designed for full to part sun locations. Each basket is planted with several premium trailing stuffers. Colors and planting combinations vary.

### **12" Premium Trailing Begonia Hanging Basket**

This basket is designed for full to part shade locations (no hot afternoon sun). Each basket is planted with beautiful trailing begonias in mixed color combinations. The baskets may also contain trailing foliage plants.

### **12" Premium Trailing Petunia Hanging Basket**

This basket is designed for full to part sun locations. Each basket is planted with beautiful trailing petunias, in mixed colors (Grower's choice – flower colors may widely vary).

### **12" Everbearing Strawberry Hanging Basket**

This basket contains a variety of sweet strawberries that produces all season long.

### **12" Premium Tomato Hanging Basket**

A tomato variety specially designed to grow in hanging baskets and containers. It produces an abundance of cherry sized tomatoes.

### **16" Oval Herb Planter**

A selection of the easiest to grow and commonly used herbs. Each planter contains parsley, oregano, thyme, sage, and chives. Herb selection may vary slightly. \*Pot saucer not included\*

### **12" Mixed Patio Planter**

This patio planter is designed for full to part sun locations. Each planter contains a mixture of upright and trailing plants, which will provide color all-season long. Color combinations may vary. Pot color is black. \*Pot saucer not included\*
